This 10 Mile Trail Race, on the Wabash Heritage Trail in West Lafayette, IN, heads from Fort Ouiatenon to West Lafayette and back. Most of the trail is single track, but there is a short section along a paved rural road, and also a section of paved trail within the city limits. The multiple surfaces mean that you need to **be prepared** for pavement, as well as muddy single-track trail. Mother Nature dictates the condition of the unpaved conditions as well as the weather.

Results will be posted on the Franklin Finish website, and runlafin.org. Early entry guarantees a race shirt. Late entry shirts are not guaranteed.

Post race refreshments and age group awards!

LIMITED TO 300 PARTICIPANTS

\$2 of each entry will go to the Tippecanoe County Parks and Recreation Dept.

For more information on all three events check out our website runlafin.org and like us on Facebook to receive club updates!

Events are **not** limited to WRRC members. Though we'd be happy to have you join!
