Description This will be a 10 Mile Trail Race on the Wabash Heritage Trail in West Lafayette, IN, heading from Fort Ouiatenon into West Lafayette and back. Most of the trail is single track, but there is a short section along a paved rural road, and also a section of paved trail within the city limits. The multiple surfaces mean that you need to be prepared for pavement, as well as muddy single-track trail. Mother Nature dictates the condition of the unpaved conditions as well as the weather.

Field Size Due to the single track nature of the majority of the course, we will close entries after we receive confirmation of 300 participants. No wait-listing is available.

Refunds Entry fees are non-refundable and non-transferable.

Amenities Early entry guarantees a race shirt. Late entry shirts are not guaranteed.

However, everyone who enters will get an accurately measured course and a finish time. Post race refreshments will be provided. Age group awards will be awarded on 10-age increments: <20; 20-29; 30-39; 40-49; 50-59; 60-69; 70+.
